River Acres Water Supply Corporation is pleased to offer an automatic Credit/Debit Card Service. It is an easy way to pay your water bill without visiting our office, writing monthly checks, or paying postage charges. It's free of charge to our utility customers.

For information, contact us at:

(361) 387-2614

Here is how the program works:

- A bill for your monthly water service will be mailed to you each month showing the exact amount to be charged to your credit or debit card and the date the charge is scheduled to occur.
- The amount of your monthly water bill will then be charged to your credit/debit card account each month on the due date indicated on your utility bill.

Note: If you have more than one water utility account with the same name, all accounts will be charged.

- To revoke this authority, the account holder must notify the River Acres Water Supply Corporation billing office, 15602 NW Blvd., Ste. H, Robstown, TX 78380, in writing of their intent to cancel. Please provide at least 30 days prior notification to cancel the service.
- If charges are revoked at any time, a \$30.00 fee will be assessed on the account. RAWs Corp reserves the right to end this automatic credit/debit card payment service at any time after giving written notice of termination to the account holder. A second revocation of charges to your account will result in termination of this program for the account holder/owner.
- To authorize the automatic credit/debit card service, complete the form on the left and return in a sealed envelope to our billing office.
