“Autumn
leaves are
falling, filling
up the
streets;
golden colors
on the lawn,
nature's trick
or treat!”

After Hour Water Leaks

There have been (8) eight after-hour leaks since the last newsletter.

With consistently high temperatures and the lack of rain, the ground begins to shift, causing water lines to flex and break.

DON'T BE SPOOKED – STAY SAFE FOR HALLOWEEN

Here are some tips from the Warwick Post to help keep you and your family safe during Halloween:

BE ALERT - Watch for trick-or-treaters when driving on Halloween. Slow down and scan the road as you drive.

BE VISIBLE - Wear bright, reflective costumes or reflective strips. If able, carry a light to increase visibility.

PAY ATTENTION - Put electronic devices down, keep your head up, and look both ways before crossing the street.

INSPECT CANDY - Tell your children not to eat any treats until they return home. Be sure and inspect candy and look for signs of tampering. When in doubt, throw it out!

GROUPS - if possible, ensure your child is participating in large groups or with a responsible adult.

HAPPY THANKSGIVING!

From River Acres Water Supply, to you and your family. May all the good things of life be yours, not only at Thanksgiving but throughout the coming year!

Hurricane Preparedness

- Take time now to prepare a hurricane emergency kit.
- Don't wait until a warning is issued and the stores are empty or closed.
- Charge electronics and ensure you have plenty of flashlights.
- Prepare an emergency plan and make sure every member of your family knows what to do if they aren't home when an emergency is declared.
